Bio

Mr. Stephen Chan is professional accountant in Hong Kong, Canada and United Kingdom during the past 20+ years. He had extensive professional accounting and business experience including accounting firms, the HKSAR Government, banks, airlines and listed companies. He set up his own business consulting firm in 2009 to provide accounting, business, corporate finance & governance, including listing rules and securities laws, consulting & training services mainly for directors of listed companies. His major clients include: HSBC (China), China Construction Bank, Hainan Airline Group, China Communications Services Limited, Deloitte China and listed companies in Hong Kong and the Mainland.

He is enthusiastic about education, therefore, he took up adjunct professor/part-time lecturer position during the past few years in different local, PRC and overseas universities.

Mr. Chan graduated from the City University of Hong Kong with a Master in Business Administration (Executive, with Distinction). Meanwhile he is now pursuing his PhD in Finance at the Shanghai University of Finance and Economics.

Mr. Chan has passion to serve the professional accounting sector in Hong Kong and the community as a whole. He is the Deputy President and a founding member of the Association of Hong Kong Accountants (“AHKA”). He was the Past President of the Canadian General Accountants, Hong Kong.

He is a member of the Market Misconduct Tribunal, appointed by the HKSAR Government, a member of the Hong Kong Mortgage Corporation Limited's Entrepreneurship Business Program, a member of the Appeal Board of the Hong Kong Green Building Council Certification Scheme, etc.
